TABLE OF CONTENTS

INTRODUCTION and PROCEDURE FOR VARIANCE/REVISION ................................................................. February ’16

DIVISION 1 – GENERAL REQUIREMENTS
010000 GENERAL REQUIREMENTS (previously 01000 Miscellaneous General Requirements) ................. February ’16

DIVISION 3 – CONCRETE
030000 CONCRETE (previously 03000) .................................................................................................. October ’15

DIVISION 4 – MASONRY
040000 MASONRY (previously 04000) .................................................................................................. April ’16

DIVISION 5 – METALS
050000 METALS (previously 05000) ...................................................................................................... April ’16

DIVISION 6 – WOOD, PLASTICS, AND COMPOSITES
060000 WOOD, PLASTICS, AND COMPOSITES (previously 06000 Wood and Plastics) ......................... April ’16

DIVISION 7 – THERMAL AND MOISTURE PROTECTION
070000 THERMAL AND MOISTURE PROTECTION ............................................................................... April ’16
075000 ROOFING .................................................................................................................................... April ’16

DIVISION 8 – OPENINGS
081000 DOORS AND FRAMES (previously 08100) ............................................................................... October ’15
084000 STOREFRONTS, CURTAINWALLS, AND WINDOWS ................................................................. April ’16
087000 HARDWARE (previously 08700) .................................................................................................. April ’16

DIVISION 9 – FINISHES
090000 FINISHES (previously 09000) .................................................................................................... April ’16

DIVISION 10 – SPECIALTIES
101400 SIGNAGE (previously 10430 and 10440) ..................................................................................... April ’16
102000 INTERIOR SPECIALTIES ............................................................................................................. October ’15
104000 SAFETY SPECIALTIES ................................................................................................................. April ’16

DIVISION 11 – EQUIPMENT
115300 LABORATORY EQUIPMENT (previously 11600) .......................................................................... October ’15
118000 FACILITY MAINTENANCE & OPERATION EQUIPMENT (prev. 11170 WHE and Recycling) .... October ’15

DIVISION 12 – FURNISHINGS
122000 WINDOW TREATMENTS (previously 12500) ............................................................................. October ’15
123000 CASEWORK (previously 12350 Laboratory Casework) ................................................................. October ’15
126000 MULTIPLE SEATING (previously 12700) .................................................................................... October ’15

DIVISION 13 – SPECIAL CONSTRUCTION
132100 CONTROLLED ENVIRONMENT ROOMS (previously 13038 Cold Storage Rooms & Buildings) ... October ’15
DIVISION 14 – CONVEYING EQUIPMENT
142000  ELEVATORS AND LIFTS .............................................................................. October ’15

DIVISION 21 – FIRE SUPRESSION
211000  WATER-BASED FIRE-SUPPRESSION SYSTEMS ........................................... October ’15
212000  FIRE-EXTINGUISHING SYSTEMS ................................................................ October ’15
213000  FIRE PUMPS .............................................................................................. October ’15

DIVISION 22 – PLUMBING
220000  PLUMBING (previously 15400 Plumbing) ......................................................... October ’15

DIVISION 23 – HEATING, VENTILATING, AND AIR CONDITIONING (HVAC)
230500  COMMON WORK RESULTS FOR HVAC ...................................................... October ’15
230553  IDENTIFICATION FOR HVAC PIPING & EQUIPMENT ............................. October ’15
230593  TESTING, ADJUSTING, AND BALANCING FOR HVAC .......................... October ’15
230700  HVAC INSULATION ..................................................................................... October ’15
232000  HVAC PIPING AND PUMPS ...................................................................... October ’15
233000  HVAC AIR DISTRIBUTION .......................................................................... October ’15
234000  HVAC AIR CLEANING DEVICES ................................................................. October ’15
235000  CENTRAL HEATING EQUIPMENT ............................................................... October ’15
236000  CENTRAL COOLING EQUIPMENT .............................................................. October ’15
237000  CENTRAL HVAC EQUIPMENT .................................................................. October ’15
238000  DECENTRALIZED HVAC EQUIPMENT ......................................................... October ’15

DIVISION 25 – INTEGRATED AUTOMATION
253000  INTEGRATED AUTOMATION INSTRUMENTATION & TERMINAL DEVICES ........ October ’15
255000  INTEGRATED AUTOMATION FACILITY CONTROLS ................................. October ’15
259000  INTEGRATED AUTOMATION CONTROL SEQUENCES ............................... October ’15

DIVISION 26 – ELECTRICAL
260500  COMMON WORK RESULTS FOR ELECTRICAL ............................................ October ’15
260900  INSTRUMENTATION AND CONTROL FOR ELECTRICAL SYSTEMS .......... October ’15
261000  MEDIUM-VOLTAGE ELECTRICAL DISTRIBUTION .................................. October ’15
262000  LOW-VOLTAGE ELECTRICAL TRANSMISSION ......................................... October ’15
263000  FACILITY ELECTRICAL POWER-GENERATING AND STORING EQUIPMENT .... October ’15
264000  ELECTRICAL PROTECTION ........................................................................ October ’15
265000  LIGHTING ................................................................................................. October ’15

DIVISION 27 – COMMUNICATIONS
275126  ASSISTIVE LISTENING SYSTEMS ................................................................. October ’15

NOTE: See UF Telecommunications Standards for remainder of Division 27

DIVISION 28 – ELECTRONIC SAFETY AND SECURITY
281000  ELECTRONIC ACCESS CONTROL AND INTRUSION DETECTION ................ October ’15
282000  ELECTRONIC SURVEILLANCE ................................................................... October ’15
283100  FIRE DETECTION AND ALARM (previously 16723 Fire Alarm Systems) ................................ October ’15

DIVISION 31 – EARTHWORK
310000  EARTHWORK (previously 02200) ................................................................. October ’15
313100  SOIL TREATMENT (previously 02280) ......................................................... October ’15
### DIVISION 32 – EXTERIOR IMPROVEMENTS
