A. The UNIVERSITY OF FLORIDA STRATEGIC MASTER PLAN

It is the mission of the University of Florida to offer broad-based, inclusive public education, leading edge research, and service to the citizens of Florida and the nation. The fusion of these three endeavors stimulates a remarkable intellectual vitality and generates a synthesis that is the university's greatest strength. In 2007, the Office of the President published A Strategic Work Plan for the University of Florida. See www.president.ufl.edu/workPlan.html for more information.
